A SEASON of FUN

ElleGolf is a golf program for women, begun in 1997, offering lessons, league play and events at a variety of golf courses in and around Calgary & Edmonton.

It's always a busy fun-filled year for the 300+ members of ElleGolf! The season begins with Open Houses & Orientations in April and quickly progresses to Spring Training in **Las Vegas**. This is followed by lessons, clinics & league play in both cities!

9-Hole FUN LEAGUE

Brewster

Our league nights are weekday evenings plus one day-game each week. Sometimes there are a few "rough weather dates" but mostly – the weather is stunning and sunny!

We have fun playing nine-hole games at courses in and around Calgary & Edmonton. To name a few - Blue Devil, Cochrane, Douglasdale, Heather Glen, Inglewood, Heritage Pointe, Lynx Ridge, Redwood Meadows, River Spirit, Sirocco & Valley Ridge in Calgary! Eagle Rock, Leduc, The Quarry, Sturgeon Valley & Hunters Green in Edmonton!

Brewster

Everyone has their favorites. Friendships are made. Guests are invited on a few dates. Plus, each year, we test new courses and try different formats on a few games! All part of the ElleGolf Fun!

Having the tee-times pre-booked with ElleGolf ensures that members can golf as little or as much as they like! Some members play every week, sometimes more than one game in a week; others not as many! Buddies joined many of the new golfers, removing some of the fear of taking their lessons to the course!
