

THE *Elle*GOLF LEAGUE

The **ElleGolf League** is a Beginner to Intermediate Fun League available to all 2020 members! With Covid19 and the uncertainty of when we can play golf, all 2020 memberships are good for both the 2020 and 2021 League! Hopefully, we can start league play sooner than later but safety first. **We will contact you as soon as we know when we can start League Bookings!**

That said, we are delighted with the continued response we have had from the various golf courses. We hope you will enjoy trying out the many public and semi-private courses in and around Calgary.

When we can golf, we will advise you of the New Rules for Social Distancing and Safety. During league play, it's *just us girls!* We play nine holes of golf! We don't keep track of scores, but you are welcome to. For every league game, we provide an ElleGolf **Starter** and a rule or tip to practice. When you come out to play, you pay your green fee and check in with our starter. They will introduce you to the women you are golfing with and send you on your way. By the end of summer, it's our hope that you'll feel very comfortable with booking a tee-time and driving up to just about any golf course, anywhere!

We encourage all league members to come out and play in the league. For **Beginners**, if you have not played a game of golf to date, we recommend that you complete your lessons before your first league night. For any **New Members**, if you are nervous about golfing in the league, ask for a *golf buddy* when booking your first few league dates. Your golf buddy will be in your foursome and enjoys golfing with newer golfers. You'll see that golfing can be fun!

ElleGolf provides a great opportunity to meet other women golfers. We mix up the foursomes, with both Beginners and Intermediates. You can play as little or as much as you like! Once the League Opens, when you want to golf, just call or email us and we'll match you up with three other members. If you have a member of the league you would like to play with, let us know when you make your booking and we'll do our best to match you up.

We offer **evening and daytime options** each week. Bookings are made each week, on a weekly basis, for the following week. You can play as little or as much as you like. When you want to golf, contact us to make a booking for one or more games a week – daytime and / or evenings! If cannot golf during a week, no need to contact us.

Pro-shop discounts on league dates have been arranged with many of the golf courses and are listed on the league schedule. Discount packages vary; most are for regular priced merchandise, some are for clothing only, some are for anything in the pro-shop. If you want to shop, check with your **ElleGolf** starter or the pro-shop to confirm the discount details for that date, then shop to your heart's content – possibly online!

We will be in touch with you as soon as we can start taking bookings for the 2020 Season and advise of any "Covid Need to Know" Rules. Be safe. Be well.
